

## AR Points as Major Grade in Literature

Students are expected to earn 20 points on AR tests during each quarter.

- AR points are rounded up to the closest whole number.
- Novels read as a class (for example, *Call It Courage*) **do not count** toward AR point requirements.
- The following table shows AR points for gradebook point conversions:

15 AR points = 50 Sycamore points

14 = 50

13 = 49

12 = 45

11 = 42

10 = 40

9 = 37

8 = 35

7 = 33

6 = 30

1 through 5 = 25

*Every Friday is dedicated to reading AR books and taking a quiz (or more) for the AR points.*

The first quarter ends October 15th

Second quarter ends December 18th
